

PRESENTING THE REMINGTON GRAPHITE G6 MULTI-GROOMING KIT: THE ANSWER TO YOUR GROOMING NEEDS

Remington's latest grooming tool is an all-in-one solution for head-to-toe styling

Say goodbye to multiple gadgets getting in the way of your routine! With the Remington G6 Graphite Multi-Grooming Kit, you can substitute cluttered shelves for styling simplicity that Marie Kondo would be proud of.

The Remington Graphite G6 is an all-in-one Multi-Grooming Kit that comes with 10 versatile attachments which can create up to 14 different grooming styles. Perfect for maintaining the perfect beard, through to manscaping down below and everything in between!

Worries about irritating your skin can be kept at bay with the graphite coated smooth glide blades, ensuring gentle contact with your skin due to their specially designed comfort tips. You can also be sure your razor will stay as sharp as you, thanks to the self-sharpening blades that provide precision cutting performance.

- Use the **2-20mm Dual Adjustable Comb** on your head or beard hair to trim down to precisely the length you want.
- Keep your nose, eyebrows and ears tidy with the **Dual Sided Vertical NEE Trimmer**.
- The specially designed **Body Groomer** with 0.5mm, 3mm, 6mm or 9mm trimming adjustment lets you groom the hair on your body exactly the way you want it.
- There are **two fixed length combs** included; work the 3-day stubble look using the **1.5mm Comb** or use the **3mm Comb** for general body hair maintenance.

- Take care of finishing touches by using the **Mini Foil Shaver** to close shave the edges of any style and the **TST Precision Trimmer** to define sharp contoured edges and create on-trend micro stubble.
- The Graphite G6 takes your whole grooming regime to a new level with the Deep **Facial Cleansing Brush** for healthy beard and skin.

As well as cutting down on bathroom clutter, the G6 Multi-Grooming Kit is fully waterproof, meaning you can literally shave time off your grooming regime by taking it into the shower with you – and of course, it's easier to clean and maintain!

The G6 is compatible with foams and gels, and with up to 90 minutes of cordless run time, the G6 Grooming Kit is fully adaptable to a grooming routine on the move. The LED battery indicator ensures you know when you need a top up without having the hassle of it cutting out halfway through using it.
